**From:** Pettit, Jacqueline  
**Sent:** Thursday, June 30, 2016 5:22 PM  
**To:** Grissom, VaLauna K.  
**Subject:** FTE Count

2149.96 takes into account all employees percentage of time worked.  
2065 is the raw number of FTE's, not including part-time, etc.

I'm heading out to take care of a sick husband and baby. But, I always take my Surface Pro home. If you need something additional, please call my cell. 313-8529

Thanks,

**Jacqueline Pettit, MHR, SPHR**  
Director of Human Resources
